Summary

Passionate B.Tech Computer Science Undergrad | Web Developer | Innovative Solutions | User-Friendly Front-End Products

Seeking Opportunities to Learn from Industry Leaders

I am a dedicated computer science undergrad actively expanding my knowledge in web development. With a strong passion for creating user-friendly front-end products, I strive to push boundaries and deliver exceptional results.

Always in pursuit of new skills and experiences, I am excited to explore opportunities that allow me to grow and learn from industry leaders. I am particularly interested in #crypto, #aitools, #teamwork and #webdevelopment.

Techstack: C++, HTML, CSS, JS and React | # Productivity Tools: Notion and Figma

Let's connect and collaborate on projects that drive innovation, foster teamwork, and harness the power of web development.

#Just Do It!!!

Experience

Web Developer

AcmeGrade

Aug 2023 - Present (2 months)

Web Developer

CodSoft

Aug 2023 - Present (2 months)

Social Media Marketing (Techgeeks || Technical club)

Graphic Era Hill University

Feb 2022 - Jan 2023 (1 year)

During my time as a Social Media Marketer for the TechGeeks Club, a technical club at the university, I gained valuable experience in leveraging social media platforms to enhance the club's online presence, engage with the target audience, and promote various tech-related events and initiatives.

I was responsible for managing the club's social media accounts, including Instagram and Google.

Android Developer

SmartInternz

Aug 2022 - Sep 2022 (2 months)

Internship (2 Months) - I Completed labs & Modules that helped in Gaining Insights into Creating Real Life Applications & Designing their Base.
